

## **A Remembrance of Stephanie Lee Oden**

*January 16, 1949—September 10, 1967*

A native of San Mateo, California, Stephanie moved with her parents to Coronado when she was 11 years old.

At Coronado High School, Stephanie was a member of the International Club, the Art Club, and Pegasus. She won First Place—High School Art Exhibit her senior year and she won Honorable Mention her junior year.

Stephanie was a gifted artist, winning a number of prestigious awards, and had planned to attend either Southwestern or San Diego City College to further her art training.

On September 10, 1967 Stephanie passed away in Torrence, California, after a brief illness, due to her life-long struggle against cystic fibrosis. Stephanie is survived by her parents, Mr. and Mrs. Kenneth Oden of Coronado, California and two sisters, Beverly Nusser and Doris Christenson, both of San Diego, California.
